Paul,

Yes, I am available for a discussion on this topic later this week.

Roughly when do you envision this conversation happening? If it's possible, I'd also like to see if a couple of other BEOH staff are able to participate.

Best Regards,

Roy

Miguel/Roy -

Are either of you available to discuss the above with staff and me later this week? Jean can send you the results of 3 childcares testing to date prior to our meeting.

Karen can set this up.

Thanks.
